

Technician Job Advert

Job description

Are you an automotive technician looking for somewhere to further your career?
Or maybe you just want to work somewhere that values your talent and a place you can enjoy the trade you trained for.

We'll look no further!

We are an award winning garage, with a 5 star reputation built on genuine and reliable service.

You will be supported by a front of house who strive to impress our customers with a smooth and informed process, and support our technicians to get the most out of their time.

Communication and reliable service are the most important qualities of the role.

As an independent garage, we have the advantage of responding quickly to our employees' needs. We will have regular 1-1s with you to listen to how you are finding your role, and to provide you with everything that you need to succeed.

Our Requirements For You?

- Level 6 Advance Certificate In Motor Mechanics or Equivalent
- Must be able to complete routine maintenance such as service work,brakes,suspension and timing belts.
- A passion for all things automotive.
- Commitment to high-quality workmanship.

Pay :

We do not work with bonus schemes, we believe in paying well for a job well done.

The salary range of €39,000.00-€45,000.00 per year will be discussed in the interview, and we will make sure to offer the pay that reflects your skills and dedication. We will also implement progression plans so you know what is required to achieve pay rises.

We are open and fair.

Start time : 9am

Lunch break : 1 hour

Finish time : 6pm Monday to Thursday and 5pm Friday

How to Apply:

Ready to start your career? Send your CV and cover letter to blueprintautos@gmail.com.
We look forward to meeting you!

Join us in delivering exceptional service and start your rewarding career in the automotive industry!
